IN LOVING MEMORY

(Frédéric Panaïotis, 1964 – 2025)

A craftsman of excellence and a visionary spirit

Frédéric Panaïotis discovered his love of wine at an early age in the vineyards of his Champagne grandparents. A graduate of the Institut National Agronomique Paris-Grignon and an oenologist trained at ENSA Montpellier, he perfected his skills between France and California. Returning to Champagne in 1991, he first worked for the Comité Champagne, then for Veuve Clicquot, before joining Ruinart, where he was cellar master for over 18 years.

In this position, he combined high standards and sensitivity to shape the cuvées for which Ruinart is renowned, from Blanc de Blancs to the prestigious Dom Ruinart. A master of blending, he defended a precise and elegant vision of Champagne, while paving the way for strong innovations: the launch of the *second-skin case*, *Vitiforestry*, a return to cork printing, the creation of a historic *Oenotheque*, and the development of the *Ruinart Blanc Singulier Cuvée*. These are just some of the initiatives that have set the House on the path to modernity and sustainability. But beyond his unrivalled professionalism, his colleagues will remember him as a deeply human man, a discreet listener who was respected by all. His departure has sent a wave of emotion throughout the wine world. (Credit: Mathilde Bourge- Gault & Millau, 06/16/2025)

In tribute to the visionary cellar master Frédéric Panaïotis, we honor his legacy through the luminous wines he so passionately crafted. Each wine celebrates the elegance, innovation, and timeless spirit he brought to Champagne Ruinart. We invite you to raise a glass and experience the iconic wines that defined his extraordinary career.

“À notre cher ami, que ton voyage soit paisible.”

FARMER FIZZ

noun | **Récoltant-Manipulant** (ray-kol-tahn mah-nee-pyoo-lahn)

*Champagne is produced and marketed by the same grower who cultivates the grapes, typically using fruit from vineyards the producer owns or controls. Commonly called **grower Champagne**, these wines often express the character of a particular village, vineyards, grape variety, or individual farming philosophy.*

LES MAISONS

noun | **Négociant-Manipulant** (nay-go-see-ahn mah-nee-pyoo-lahn)

Champagne is produced and marketed by a house that may supplement grapes from its own vineyards with fruit purchased from independent growers. Commonly associated with established Champagne houses, **NM** wines often emphasize a consistent house style maintained through blending across multiple vineyards, villages, grape varieties, and vintages.

THE DOMINUS ESTATE COLLECTION

Dominus Estate is a renowned Napa Valley winery with deep roots in the Bordeaux tradition, founded by Christian Moueix, a prominent figure in the wine world with a prestigious pedigree. Moueix's family owns Château Pétrus in Bordeaux, one of the most famous and highly regarded wineries globally. He brought his expertise to Napa Valley in the 1980s, purchasing the historic Napanook Vineyard, which dates back to the mid-19th century, and established Dominus Estate in 1983. Under Moueix's leadership, Dominus combines Old World winemaking techniques with the unique terroir of Napa to craft wines that reflect both balance and complexity.

Dominus Estate is recognized as a benchmark for Napa Valley Cabernet Sauvignon, producing wines of exceptional quality and distinction. The estate's philosophy of minimal intervention and respect for the vineyard allows the terroir to shine through in each vintage. This dedication to quality has placed Dominus among the elite wines of the world, known for its balance of power and finesse, making it a prized selection for collectors and connoisseurs alike.

THE VALDICAVA COLLECTION

*In the rolling hills just north of the medieval town of Montalcino lies one of the most revered estates in the world of Brunello di Montalcino: **Valdicava**. Nestled in the Montosoli area—widely considered one of the grand cru sites of Montalcino—Valdicava has built a reputation for producing Brunello of exceptional depth, structure, and longevity. The estate’s vineyards benefit from ideal southern exposures and galestro-rich soils that allow Sangiovese to ripen slowly and evenly, yielding wines that balance power with remarkable elegance. Over the decades, Valdicava has become synonymous with benchmark Brunello, capturing both the intensity of the Montosoli hillside and the timeless character of Tuscany’s most noble grape.*

The estate’s modern identity was shaped under the guidance of Vincenzo Abbruzzese. Through careful vineyard stewardship, low yields, and a steadfast commitment to the purity of Sangiovese, the Abbruzzese family transformed Valdicava into one of the most respected names in Brunello. The vineyards are planted entirely to Sangiovese—known locally as Brunello—and the wines are aged traditionally in large Slavonian oak casks, a method that preserves the clarity of the fruit while allowing the wines to develop remarkable complexity over time. This philosophy results in wines that honor tradition while expressing the distinctive terroir of northern Montalcino.

At the pinnacle of the estate stands the legendary Madonna del Piano Brunello di Montalcino Riserva, one of Italy’s most celebrated expressions of Sangiovese and a wine that has helped define the modern reputation of Brunello on the world stage. Produced only in exceptional vintages, it represents the finest parcels of the estate and the culmination of decades of dedication to quality. We invite you to explore these iconic wines from Valdicava on our menu, each bottle offering a glimpse into the remarkable heritage and craftsmanship of this historic Montalcino estate.

THE MICHTER'S COLLECTION

Michter's Whiskey is an iconic American brand with a rich history that dates back to 1753, making it one of the oldest distilleries in the United States. Originating in Pennsylvania, Michter's has long been associated with high-quality, small-batch whiskeys. In the 1990's, Michter's relocated to Kentucky, where it continues to honor its heritage while incorporating modern techniques. Today, Michter's is renowned for its dedication to craftsmanship, offering a diverse portfolio that includes bourbon, rye, and American whiskey, each crafted with meticulous attention to detail.

Michter's commitment to quality is evident in every step of its production process, from sourcing the finest grains to using custom barrels that are air-dried for over 18 months. Their whiskeys are crafted in small batches or single barrels to ensure consistency and excellence. As a result, Michter's has become synonymous with exceptional American whiskey, blending tradition and innovation to produce spirits that are both approachable and highly collectable. Its portfolio is a testament to the art of distilling, offering unparalleled experiences for connoisseurs and newcomers alike.
